

Hi There,

I am Michael. First and foremost **THANK YOU** for your purchase. I strongly believe in good customer service. I do hope your purchase went smoothly as it was handled by Fulfillment by Amazon (FBA).

A little history about myself, and Pinnacle Awards Canada. I am still working as a railway engineer for **VIA RAIL CANADA**. My assignment is their "Flagship". "**The Canadian**." I must add one of the **TOP** train trips in the world.
www.viarail.ca

Pinnacle Awards Canada is a hobby business where I offer quality railway themed products at an economical price. As stated previously I believe in good customer service...and to think I didn't have the tech savvy to send a text message 3.5 years ago (Oct. 2017).

This hobby was and still is quite a learning curve for me and keeps the grey cells active. If you like your purchase, may I trouble you to take a moment to rate your experience, in the **STAR** rating section?

I am just a ONE MAN operation and your ratings mean a lot to me.

Thank you,

Michael

Honoring American-Canadian Friendship

Did You Know...

- The longest demilitarized border in the world is between Canada and the United States.
- The United States and Canada share the largest supply of fresh water in the world, "The Great Lakes".
- The United States and Canada have the largest railroad system in the world. Ten's of thousands of miles of railway track. Thousands of rail cars cross over our borders daily.
